SUMMARY

As a dedicated and inquisitive BCA student, I am passionate about leveraging software development and data analysis to drive business growth and optimization. With a robust foundation in computer science and mathematics, I possess strong competencies in programming,data structures and algorithms. I am proficient in Java, JavaScript, React, Node.js, MongoDB and have hands-on experience with leading software development tools such as GitHub, ClickUp, Visual Studio and Studio 3T. My academic background and practical experience have equipped me with the skills to tackle challenging problems and deliver innovative solutions.

EDUCATION

10th
Utkarmit Madhyamik School Ufroll,Vaishali
📅 06/2019

12th
Sps College (Desari Vaishali)
📅 05/2021

Bachelor of Computer Application
Quantum University (Roorkee)
📅 05/2025

ACCOMPLISHMENTS

🔍 **Google Cloud Study Jams**
Earned for demonstrating proficiency in Google Cloud technologies during institute-led study sessions.

⚙️ **Code Cracker**
Awarded for outstanding performance in an institute-wide coding competition.

💎 **Code Study Boot Camp**
Earned during a college-organized boot camp.

🖥️ **System Designer**
After completing my course.

💎 **Full Stack Development**
After completing my course.

SKILLS

Java System-Designer

Full Stack Developer

Data Structure and Algorithms

PROJECTS

Password Manager
📅 02/2024 📍 Roorkee
Developed a Password Manager Application to securely store and manage user credentials.
- Received a stipend of $600 for the internship.

School ERP
📅 11/2023 📍 Roorkee
Developed a robust School ERP system to streamline administrative processes.
- To practice and enhance my software development skills.

Bot
📅 02/2023 📍 Roorkee
Developed a messaging bot designed to efficiently read and send messages.
- To practice and enhance my software development skills.

HOBBIES

📘 **Reading Indian Historical Books**

💡 **Enthusiastic about programming and exploring new technologies.**
